**General Outlook:** Monex, S.A.P.I. is a holding company, whose main subsidiaries are Monex Grupo Financiero, MNI Holding and Arrendadora Monex. Monex has shown a constant and solid growth in traded volume and number of clients during its 40 years of experience in the financial market. Monex offers financial products that satisfy its clients' foreign exchange, payment, credit, investment, financial coverage and financial consultancy needs through a sales force distributed in 33 offices in Mexico and its international subsidiaries located in the United States, Canada, Europe (UK, Spain, and Netherlands), and Asia (Singapore). The subsidiary companies of Monex Grupo Financiero are Banco Monex, Monex Casa de Bolsa, and Monex Operadora de Fondos, through which we provide our clients with the following products: foreign exchange, brokerage services (Debt Market, Stock Market, and Investment Banking), investment funds, risk management products, international investments, trust services, loans, letters of credit, among others. MNI Holding subsidiaries are Monex USA and Monex Europe, which offer services to their clients such as foreign exchange and payments.

**Accounting Series:** According to the "General Provisions Applicable to the Issuers of Securities and Other Parties Involved in the Stock Market", Title Eighth, Article 78 states: Regarding the financial statements of financial institutions, they should be prepared and audited in accordance with the accounting and auditing standards issued by the relevant Mexican authorities. The aforementioned paragraph shall also apply to the financial statements of issuers which, through its subsidiaries, predominantly perform financial activities subject to the supervision of said authorities. Monex, through its subsidiaries, predominantly performs financial activities subject to the supervision of the Mexican authorities, therefore, Monex prepares and audits its financial statements according to the same accounting and auditing standards used by its subsidiaries, so that the financial information of both is comparable.
