Fitch Ratings reaffirms ratings for Holding Monex

Monterrey, N.L., Nov 20, 2013

Fitch Ratings reaffirmed their national long and short term rating for Holding Monex, S.A.B. de C.V. ("Holding Monex") at 'A (mex)' and 'F1 (mex)', respectively. The long-term credit outlook is stable.

For the issuance of long term debt certificates under the ticker symbol “MONEX 12” Fitch assigned them their long-term local rating of 'A (mex)'.

On a side note, Banco Monex and Monex Casa de Bolsa, both previously rated by Fitch, reaffirm their rating at 'A + (mex)' and 'F1 (mex)', given a stable credit outlook.
